
Da-Lite Fast-Fold Deluxe Screen System, 71.5 x 114.5 in HD Progressive ReView 0.9 - 38314 SKU: 38314

The enhanced Fast-Fold® Deluxe Screen System brings an advanced approach to rental and staging applications for set-up and tear-down to accommodate all skill levels. Its new and efficient portable design features include an intuitive leg-to-frame locking mechanism with no parts to lose. This screen is now available with HD Rental - a foldable and optically enhanced screen surface for high-definition AV experiences, featuring RF (radio frequency) welded binding for improved aesthetics and durability. NOTE: The former style frame and legs featuring Speedy Cranks is NOT compatible with the wheel and keyway leg-to-frame locking mechanism design launched July 15, 2019.

- Intuitive leg-to-frame locking mechanism, with no parts to lose
- Frame and legs made of 1 1/4" aluminum tubing (black anodized frame option available upon request)
- Available in seamless, and up to 16K ready, foldable and optically enhanced screen surfaces for today's high-resolution projectors
- RF welded binding and matte snap caps for a clean aesthetic
- After years of use, adjustable corner brace offers additional longevity through correction of frame bowing
- Carrying case with wheels
